

PAYMENT DATES

The payment dates are set up to be flexible for the student. **The amount due is the amount needed in your account by that date.** Keep in mind that missions dinners and support letter money can come in at strategic times. We do not want to put stress on any family financially, and if you have difficulty with meeting a deadline **please communicate with Hannah at 635-7230.** However, **the balance must be zero by the week of the mission's trip.** With hard work on your student's part you should not have to provide the majority of the funds for this trip. Enclosed in this packet is a support letter which you can send to friends and family members. If you need any assistance in writing this letter, please let us know!
